Target Market Determinations (TMDs)

From 5 October 2021, AIG Australia Limited (AIG) is required to have Target Market Determinations for its retail client insurance products in accordance with the *Treasury Laws Amendment (Design and Distribution Obligations and Product Intervention Powers) Act 2019*.

What is a TMD?

A TMD is a document created by AIG which seeks to offer customers, distributors and staff with an understanding of the class of customers for which the product has been designed and sets out:

- who is in the target market and who the product is not designed for;
- any distribution conditions and restrictions for the product;
- review periods and events that may trigger a review of the TMD; and
- reporting obligations for AIG's distributors.

The TMD is not intended and should not be treated as a full summary of the product's terms and conditions and is not intended to provide financial advice. Customers must refer to the Product Disclosure Statement (PDS) and any supplementary disclosure documents for the terms and conditions of the product when making a decision to acquire the product.

TMD's for all AIG retail products are available on AIG's website at www.aig.com.au/tmd.

AIG is committed to offering high quality insurance products to meet our customer needs and which offer real value. AIG achieve this by taking a consumer-centric approach when designing and distributing our products.

The **Product Disclosure Statement ('PDS')** contains information about key benefits and significant features of this Personal Accident Insurance for Voluntary Workers.

The purpose of the PDS is to assist **Your** purchasing decision and ability to compare this product with other insurance. This document also contains important information about **Your** rights and obligations including Cooling Off and the Duty of Disclosure.

The terms and conditions of **Your** insurance are contained in the **Policy Wording**.

Details about the product issuer can be found on the inside cover of this document under **'How this insurance is arranged'**.

- (d) have actually received any annual leave, long service leave or sick leave, unless endorsed otherwise; and/or
- (e) have any sick leave paid as a part of redundancy payments;

then Compensation payable under Event 20 will be reduced by the amount of the benefits detailed above so as to limit the total of all payments and/or Compensation (inclusive of such benefits) to his or her weekly **Income** or the limit stated in the Policy Schedule, whichever is the lesser. (See example below).

6. If **You** or the **Insured Person** has lodged a weekly income benefit claim under any weekly or periodical disability benefits under any Workcover or Workers Compensation Act or other Statutory body or legislation having a similar effect, or under the Wrongs Act, or under any Compulsory Third Party or Motor Vehicle Act, or Transcover or Transport Accident Act or other Statutory body or legislation having similar effect and are awaiting determination of the claim, payment of any Compensation under Section B Event 20 of the Policy shall be calculated with effect from the date of the **Injury** less any applicable **Elimination Period**, subject to the terms and conditions of the Policy.

Payment for Compensation for a claim under Section B Event 20 will be reduced by the amounts **You** or the **Insured Person** has already received, at the time of the payment of such Compensation as (i) statutory benefits, under applicable laws and statutory bodies referenced above; (ii) income from another occupation; and/or (iii) any annual leave, long service leave or sick leave, unless endorsed otherwise; and/or (iv) sick leave paid as a part of redundancy payments.

For Example:

Insured person has suffered Temporary **Total Disablement** as a result of an **Injury**, making them eligible for Compensation under the Transport Accident Act. In this case the Compensation paid out under Event 20 of the policy would be computed as under:

	Insured Person A	Insured Person B	Insured Person C	Insured Person D
A Average Weekly Income of the Insured Person (100%)	\$1,200	\$1,700	\$2,000	\$2,500
B Cover Limit on AIG policy Schedule	85% of Average Weekly Income up to a maximum of \$1,500 per week	100% of Average Weekly Income up to a maximum of \$1,500 per week	85% of Average Weekly Income up to a maximum of \$1,500 per week	100% of Average Weekly Income up to a maximum of \$2,000 per week
C Compensation payable under Section B (per week)	\$1,020	\$1,500	\$1,500	\$2,000
D Weekly Compensation from Statutory Laws or other Insurance policy	\$600	-	\$900	\$900
E Income from other occupation	\$200			
F Adjusted Compensation under this policy Section B (per week)	\$220	\$1,500	\$800	\$1,600

When **You** or the **Insured Person** who has received payment of Compensation for a claim under Section B Event20 of the Policy subsequently receives benefits under (i) any Workcover or Workers Compensation Act or other Statutory body or legislation having a similar effect, or under the Wrongs Act, or under any Compulsory Third Party or Motor Vehicle Act, or Transcover or Transport Accident Act or other Statutory body or legislation having similar effect; (ii) income from another occupation; and/or (iii) any annual leave, long service leave or sick leave, unless endorsed otherwise; and/or (iv) sick leave paid as a part of redundancy payments **You** or the **Insured Person** must reimburse to **Us** any difference between the amount of Compensation actually paid by **Us** under Section B Event 20 and the amount of Compensation **We** would have paid had **You** or the **Insured Person** been in receipt of such benefits at the time of payment of the claim for Compensation.

7. If, as a result of **Injury**, Compensation is payable under Section B and if, while the Policy is in force, **You** suffer recurrence of **Total Disablement** from the same or related cause or causes, the subsequent period of **Total Disablement** will be deemed a continuation of the prior period unless between these periods **You** have performed the duties of **Your** occupation on a full-time basis for at least six consecutive months, in which event the **Total Disablement** will be deemed the result of a new **Injury** and subject to a new **Elimination Period** and Aggregate Period.
