Claims Promise

The AIG Property Claims Promise affirms that our dedicated team of claims experts will mobilise in rapid response to a covered event and, after coverage is confirmed, will advance our policyholders up to 50% of an agreed loss estimate within 7 days, giving them the immediate working funds they need for property damage and repairs, clean-up costs and extra expenses.

**? What does it cover?**

**Property**

- property damage/repairs
- clean-up costs
- extra expense/additional increased cost of working

The estimate is to be agreed between the policyholder, broker and the AIG representative, based upon reasonably available information. This payment is made on an unallocated basis.

**How is the loss estimate determined?**

The AIG Property Claims Promise is not a blanket offer of funds without technical support. Our team will ensure that the coverage applies and that the initial loss estimate is reasonable. The advance of funds under the AIG Property Claims Promise is not made against loss of income claims. The intent is to provide working capital to our insured to help re-establish business, commence repairs and/or clean-up.

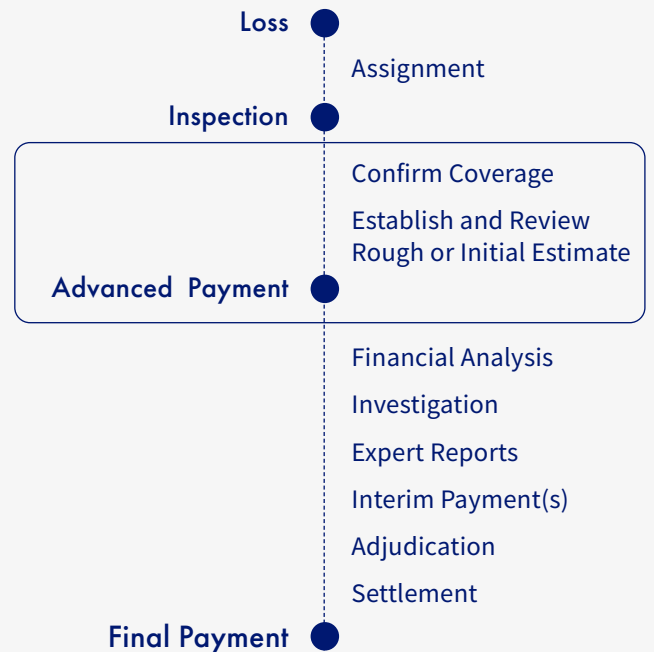

**How does the AIG Property Claims Promise deliver value to the insured?**

- It provides ready access to critically important funds to help expedite the client's recovery and meet their immediate cash flow needs to help get them back on their feet quickly.
- Our dedicated claims professionals and vast global network are committed to help minimise the impact of our client's loss no matter where they operate.
