Lead Preferred	●

Where we win

This service is tailored for businesses with total insurable assets, including Property, Contents, and Business Interruption Values, greater than AUD\$750m. AIG can deploy capacity up to USD\$750m.

We have strong underwriting appetite for all of the industries and sectors above. Other industries and sectors can be reviewed and considered upon further discussion.

The AIG Advantage

Global Risk Engineering

Unparalleled global risk-engineering capabilities designed to help identify and minimise exposure to loss. AIG provides clients with invaluable insights into their potential vulnerabilities, ensuring protection and proactive management.

Underwriting Expertise

AIG's solution-oriented underwriting team excels in structuring complex programs with precision. Our partners benefit from direct access to experienced decision-makers with local authority.

Multinational Excellence

Unmatched multinational proposition tailored for businesses of all types and sizes. AIG's cutting-edge tools and technology empower Risk Managers with comprehensive insights into their global portfolios, ensuring they stay ahead in the competitive landscape.

Distribution

Elevated experience delivered via the Client Director ensures that clients receive the utmost value from AIG and enable our team to adeptly solve problems and address evolving risk needs.

Multi-line Solution

As a multi-line insurer, we have the distinct advantage of integrating coverages and risks from various product lines into a comprehensive offering for our customers. We work closely with all lines of business to develop bespoke solutions that align perfectly with our clients' specific needs.

## Expert Claims support when it matters most

- Global Property claims expertise with local authority and execution - worldwide.
- Rapid handling and settlement process for claims below \$10,000.
- Upon coverage confirmation, [AIG's Property Claims Promise](#) provides funds up to 50% of client's share of an agreed loss estimate\* within 7 days.

\*Does not apply to Business Interruption and based on damage and expense estimate.
