What is a target market determination?

A Target Market Determination (TMD) is a determination that AIG has made that sets out:

- the class of customers that comprise AIG's target market for this Product, taking into consideration their likely needs, objectives and financial situation;
- any conditions and restrictions placed on retail product distribution conduct in relation to the Product;
- the events and circumstances that would reasonably suggest that the TMD is no longer appropriate;
- the review periods for the TMD; and
- the reporting obligations for the TMD.

This TMD does not provide any financial product advice on the Product and does not take into consideration the needs, objectives and financial situation of individual customers.

The rights, benefits and obligations of the Product are set out in the Product Disclosure Statement (PDS) and AppleCare+ terms and conditions. Insurance products and services are provided by AIG Australia Limited ABN 93 004 727 753 AFSL 381686. This TMD does not form part of the insurance contract and is not a summary of the Product's terms and conditions. Customers should review the PDS and AppleCare+ terms and conditions before making any decision on whether to purchase this Product.

AIG will make this TMD available to any person, upon request, free of charge.

Terms used in this TMD, which are defined in the *Corporations Act*, have the same meaning as under that legislation.

1. Target market

This section of the TMD describes the class of retail client customers (Customers) who comprise the target market for the Product, taking into account their likely needs, objectives and financial situation.

Outlined below is a description of the Product, key eligibility criteria and key Product attributes that affect whether this Product is likely to meet the needs, objectives and financial situation of the target market.

The target market is Customers:

- who meet key eligibility criteria of the Product; and
- where the key Product attributes meet their likely needs, objectives and financial situation.

Product Description & Key Attributes

The Product is designed to provide Apple Customers cover for accidental damage from handling (ADH) cover on their eligible Apple or Beats branded device (Device). The Product is a component of, and is only available with, AppleCare+ for Apple TV, Apple Watch, Headphones, HomePod, iPad, iPhone, and iPod.

In the event of a valid ADH service event, and subject to the applicable service fee, the Product will pay the cost of Apple repairing or replacing the damaged Device. Up to two (2) valid service events within each twelve (12) month period of cover from the date of purchase can be made. Any unused service events expire. The Customer is eligible for two (2) new service events within the next twelve (12) months period of cover, and the same cycle is repeated until the end of the Product term.

Please refer to the PDS and AppleCare+ terms and conditions for full details of the Product coverage including benefits.

Financial Situation

This Product is likely to meet the financial situation of Customers who:

- require insurance coverage in line with the policy limits available under the Product;
- have the ability to pay premiums in accordance with the policy , benefits, service fees and charges, considering their financial circumstances and any vulnerabilities they may experience.

Consistency between the Product and target market

This Product is likely to be consistent with the needs, objectives and financial situation of the Customers in the target market because the Product provides cover to those Customers who:

- meet key eligibility criteria, and
- require cover for the types of loss or damage that Customers in the target market are seeking to insure against.

2. Distribution conditions

This section of the TMD describes the conditions and restrictions on retail product distribution conduct that apply to Customers who are retail clients. It does not apply to other customers (wholesale clients) who may purchase the Product.

The Product is distributed by AIG through all Apple retail stores, on-device, online and by telephone as well as selected authorised Apple resellers selling Apple branded products.

This Product is subject to any applicable add-on insurance deferred sales model requirements and can either be purchased after a seven day complimentary cover period from the date of the purchase of the Device or alternatively as standalone cover separate to the purchase of the Device when purchased from a reseller.

The Product is not to be distributed in any other way.

Apple and Apple appointed distributors will only issue the Product to Customers that meet its eligibility criteria, which align with the target market set out in section 1 above. Distribution conditions are set out in contractual arrangements between AIG and Apple.

Apple ensures that all representatives involved in the distribution of the Product:

- have a general understanding of the likely needs, objectives and financial situation of the class of Customers that fall within the target market; and
- have been trained in the relevant acceptance criteria for the Product.

3. Review period and triggers

AIG will review this TMD during the following periods to ensure that it remains appropriate:

First review period	Within one year from the TMD's commencement date.
Ongoing review periods	At least every two years after the completion of the first review period.
