About AIG

This insurance is issued by the **Insurer**.

About the Policy

The **Insurer** and the first named **Policyholder** agree to the issuance of the Policy in consideration of the payment of the **Premium** or agreement to pay the **Premium**.

Your Policy is made up of this document including the Schedule and any Endorsements and they should all be read as one document. Your Policy is a legal contract between you and us.

If you think that any details contained in these documents are not correct or if you need to change anything, you should ask your insurance intermediary to tell us.

You are only insured for those Policy Sections that are shown as 'Yes' under 'Section Included' in the Schedule.

There are specific Policy provisions that only apply to a specific Policy Section. In addition, there are general provisions that are part of this Policy and apply to each Policy Section.

Important Notice

Claims-made and Notified Insurance

This Policy contains some Sections on a *claims-made and notified* basis. This means that this Policy only covers claims first made against you during the period this Policy is in force and notified to the **Insurer** as soon as practicable in writing while the Policy is in force. This Policy may not provide cover for any claims made against you if at any time prior to the commencement of this Policy you became aware of facts which might give rise to those claims being made against you.

Section 40(3) of the *Insurance Contracts Act 1984* provides that where you gave notice in writing to the **Insurer** of facts that might give rise to a claim against you as soon as was reasonably practicable after you became aware of those facts while this Policy is in force, the **Insurer** cannot refuse to pay a claim which arises out of those facts, when made, because it was made after the expiry of the Policy.

This Policy excludes prior claims and circumstances as outlined in the '*General Policy Exclusions – Prior Insurable Events*' provision.

Your Duty of Disclosure

Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If you do not tell us something

Subject to the Cancellation General Provision and Non-Avoidance Additional General Extension in this Policy

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Crisis Section

Covers

Business Crisis

The **Insurer** shall pay the **Crisis Loss** for, or on behalf of, any **Insured Entity** resulting from any **Business Crisis**.

Extensions

For the purpose of this Section only, the following Extensions are provided:

Internet Publicity

The **Insurer** shall pay the **Crisis Loss** for, or on behalf of, any **Insured Entity** arising from **Adverse Internet Publicity**.

Share Price Crisis

The **Insurer** shall pay the **Crisis Loss** for, or on behalf of, any **Insured Entity** arising from a **Share Price Crisis**.

Delisting Crisis

The **Insurer** shall pay the **Crisis Loss** for, or on behalf of, any **Insured Entity** arising from a **Delisting Crisis**.

Unsolicited Takeover

The **Insurer** shall pay the **Crisis Loss** for, or on behalf of, any **Insured Entity** arising from an **Unsolicited Takeover Bid**.

General Provisions

A **Business Crisis** and **Adverse Internet Publicity** and **Share Price Crisis** and **Delisting Crisis** and **Unsolicited Takeover Bid** shall first commence when the **Insured Entity** or any of its directors or officers, trustees or governors or the General Counsel and/or Risk Manager shall first become aware of such a matter and shall conclude once the **Public Relations Consultants** advise the **Insured Entity** that such a matter no longer exists or that all reasonable steps have been taken by the **Public Relations Consultants**.

Additional General Extensions

Court Attendance

The **Insurer** shall pay a **Per Diem** to any:

(i) **Manager**,

for each day (or part thereof) on which their attendance in court is required in connection with any **Claim** or **Investigation** covered under this Policy.

Emergency Costs

Notwithstanding '*Claim Protocol – Consent*', if the **Insurer's** written consent cannot be obtained within a reasonable time before incurring:

(i) costs incurred with respect to any '*Asset and Liberty Costs*' Extension; or

(ii) costs incurred with respect to any '*Extradition Proceedings*' Extension; or

(iii) costs incurred with respect to a **Crisis Loss**; or

(i) **Defence Costs** for any **Claim**,

then the **Insurer** shall allow retrospective approval for such costs up to twenty percent (20%) of the **Related Event Limit of Liability** of the applicable coverage Section.

New Subsidiary

If, after the initial **Inception Date**, a **Policyholder** creates any entity or obtains **Control** of any entity either directly or indirectly through one or more other entities, then the definition of **Subsidiary** shall be extended to include that entity automatically, unless at the time the **Policyholder** obtains such **Control**, such entity:

(i) has and continues to have any of its **Securities** listed on any securities exchange or market in the United States of America; or

(ii) is a bank, clearing house, credit institution, fund manager, investment firm, investment advisor/manager, investment fund, private equity or venture capital company, stock brokerage firm, insurance company or any similar entity; or

(iii) has been the subject of any matter in the last five (5) years that, had this Policy covered such entity at that time, such a matter would have been insured under such a policy and payment after deduction of the applicable **Retention** would have exceeded \$100,000. This shall not apply to the extent that the **Insured Entity** is not aware of such matter after reasonable enquiry.

For any such entity that falls within (i), (ii) or (iii) above, this Extension shall apply automatically for a period of 90 days from the date a **Policyholder** acquires **Control** provided the first named **Policyholder** submits in writing to the **Insurer** the particulars of such entity. At the first named **Policyholder's** request, cover may be extended for a longer period of time provided that the first named **Policyholder** provides the **Insurer** with sufficient details during such 90 day period to permit the **Insurer** to assess and evaluate its exposure with respect to such entity and the first named **Policyholder** accepts any amendments to the Policy terms, including payment of any reasonable additional premium after being pro-rated for the period of the then **Current Period** remaining.

Difference in Conditions

If the **Insurer** is not liable for payment under this Policy, but cover for the matter would have been available to any **Insured** based upon the terms of the **Previous Policy**, if it was still in force, then this Policy shall provide cover in accordance with the same terms as the **Previous Policy** as if it was still in existence. This Extension shall not apply to the extent that an Endorsement to this Policy excludes, directly or indirectly, the matter. The **Insured** shall be liable for the **Retention** applicable for the most similar Section under this Policy and the **Insurer** shall not be liable for more than the **Limit of Liability** for the most similar Section applicable under this Policy.

If the **Previous Policy** remains in force after the **Inception Date**, then the insurance provided by this Policy applies excess over the **Previous Policy** until the expiration of the **Previous Policy**, after which this Policy shall drop down and continue as primary insurance. In addition, if the **Previous Policy** remains in force after the **Inception Date** and cover would be available under this Policy but not under the **Previous Policy**, then this Policy shall drop down and provide cover in accordance with the terms of this Policy. In all other circumstances this Policy shall operate as primary insurance.

This Extension shall not provide any additional cover where the **Previous Policy** refers to an additional insurance policy to provide coverage, including any Difference in Conditions Extension contained in the

Previous Policy, unless the additional policy is also named as a **Previous Policy** in the Schedule of this Policy.

This Extension shall expire 12 months after the **Inception Date**.

Continuity

If the **Insured** could and should have notified any claim or circumstance which might give rise to a claim under any prior policy of which this Policy is a renewal or replacement issued by the **Insurer**, the **Insurer** shall accept such a notification under the prior policy provided it was the issuer of the prior policy as required under Section 54 of the *Insurance Contracts Act 1984*.

Backdated Continuity

The '*General Policy Exclusions - Prior Insurable Event*' shall not apply to the extent that the **Insured** could have notified any matter under a **Previous Policy** but innocently failed to do so, and:

- (i) the **Insured** has sought indemnity from the **Previous Insurer** for the matter; and
- (ii) the matter would have been covered under the **Previous Policy** and the **Previous Insurer** would have been liable to make payment in relation to the matter but for the innocent failure to notify the **Previous Insurer** while that policy was in force; and
- (iii) the **Previous Insurer** of such **Previous Policy** has denied indemnity in writing solely on the basis of failing to notify the **Previous Insurer** of the matter during the policy period of the **Previous Policy**.

The matter shall be dealt with in accordance with the terms of the **Previous Policy** but only to the extent that the terms of the **Previous Policy** afford no broader cover in respect of the matter than is provided by this Policy and the **Insurer** shall not pay any more than the **Previous Insurer** would have been liable to pay but for the innocent failure to notify.

Non-Avoidance

If the **Insurer** has a right to reduce its liability under the Insurance Contracts Act 1984 for any fraudulent misrepresentation or fraudulent non-disclosure of a matter or fact established by final adjudication of a judicial or arbitral tribunal, or any formal written admission by any **Manager**, the **Insurer** shall not exercise such right against any **Insured** other than the **Insured** in respect of whom the fraudulent misrepresentation or fraudulent non-disclosure has been so established.

Discovery Period

If this Policy is shown as Annually Renewable in the Schedule, and it is not renewed, and the first named **Policyholder** does not obtain insurance of a similar nature to that which is provided by this Policy prior to the **Anniversary Date**, then notwithstanding the requirements under the '*Claims Protocol – Notifications*' provision the **Insured** may, within 90 days after the **Anniversary Date**, notify a matter that the **Insurer** could be liable to make a payment for under this Policy but for the expiry of this Policy on the **Anniversary Date**.

If this Policy is shown as Annually Renewable in the Schedule, and it is not renewed, and the first named **Policyholder** advises in writing that it will purchase and pays an amount equal to 100% of the **Premium** within 30 days of the **Anniversary Date** to their insurance intermediary, then this Policy will be extended for a further 12 months from the **Anniversary Date** ('*Discovery Period*'). During that 12 month *Discovery Period*, the Policy will exclude cover (unless specifically provided otherwise in this Policy) for:

- (i) any **Wrongful Act** or other event insured under this Policy that is committed or occurs after the **Anniversary Date**; and
- (ii) any loss that is not discovered and notified to the **Insurer** as soon as practicable; and
- (iii) within 12 months of the **Anniversary Date**, after any of the **Policyholder's** Chief Executive Officer, Chairman, Finance Director, Risk Manager, General Counsel or person occupying an equivalent position first becomes aware of the loss.

If the first named **Policyholder** does not elect the 12 month *Discovery Period*, then any **Manager** may elect to purchase the *Discovery Period* by advising in writing that he or she will purchase, and making full payment of 100% of the **Premium**, within 30 days of the **Anniversary Date** to their insurance intermediary.

International Coverage Extensions

Financial Interest

This Policy is extended to cover, subject to the terms of this Extension, the **Policyholder's Financial Interest** in the **Covered Entities**. The **Policyholder** is the sole insured and beneficiary under this Extension and no rights are conferred by this Extension upon any other entity, whether or not named as an **Insured**. No provision of this Extension is enforceable by any person other than the **Policyholder** and the **Insurer**. In the event of a **Covered Territory Loss**, the **Insurer** shall indemnify the **Policyholder** for its **Financial Loss** arising from such **Covered Territory Loss**, provided that:

- (i) matters known to the **Covered Entity** shall be deemed to be known to the **Policyholder**; and
- (ii) the **Policyholder** shall procure that duties and requirements imposed under the **Policy** upon the **Insured** shall be complied with by the **Covered Entity**; and
- (iii) the **Policyholder** shall calculate, determine and prove the **Financial Loss** and when directed by the **Insurer**:
 - (a) retain, in its own name but at the **Insurer's** cost, a loss adjusting expert agreed by the **Insurer** for the purpose of determination of the **Financial Loss**; and
 - (b) where permitted by the relevant **International Jurisdiction**, grant the **Insurer** the full right to collaborate with such loss adjuster; and
 - (c) grant the **Insurer** full access to any records produced by such loss adjuster; and
 - (iv) the **Policyholder** shall procure that the **Covered Entity** shall enforce any right to recovery from any third party in respect of the **Covered Territory Loss** or assign to the **Policyholder** any cause of action that the **Covered Entity** may have against any third party arising out of the facts and circumstances which gave rise to the **Covered Territory Loss** and the **Policyholder** shall pay to the **Insurer** an amount equal to any such recovery made by the **Covered Entity** or **Policyholder** that corresponds to the **Financial Loss** payable or paid by the **Insurer** to the **Policyholder** in respect of the **Covered Territory Loss**; and
 - (v) the **Policyholder** and the **Covered Entity** have complied with any and all of the terms of this Policy to the satisfaction of the **Insurer**.

It is agreed and shall for the purpose of this Extension be conclusively presumed, that the value of the **Financial Loss** shall be equal to the **Covered Territory Loss**.

Payment to the **Policyholder** in respect of any **Financial Loss** arising from a **Covered Territory Loss** shall, to the extent of such payment, in all circumstances discharge the **Insurer** from any liability or alleged liability to any other entity including the **Covered Entity**, whether or not an **Insured**.

Worldwide Territory

Unless prohibited from doing so by law or regulation, or specified otherwise in this Policy, this Policy shall apply to any insurable event occurring anywhere in the world, provided that if, by virtue of any law or regulation which is applicable to the **Insurer**, its parent company or its ultimate controlling entity, at the **Inception Date** or at any time thereafter, providing coverage to the **Insured** is or would be unlawful because it breaches an applicable embargo or sanction, the **Insurer** shall provide no coverage and have no liability whatsoever nor provide any defence to the **Insured** or make any payment of defence costs or provide any form of security on behalf of the **Insured**, to the extent that it would be in breach of such embargo or sanction.

Passport Coverage

If the first named **Policyholder** has purchased or agreed to purchase **Multinational Policies**, this Policy serves as the master Policy for a **Multinational Program** providing coverage to **Insureds** which are domiciled in various jurisdictions.

Each **Multinational Policy** provides insurance in the same manner and extent afforded by this Policy, save to the extent of any differences in terms which have been incorporated into the **Multinational Policy** to meet the mandatory requirements imposed by local legislation prevailing in the jurisdiction in which the **Multinational Policy** has been issued.

Where a **Multinational Policy** has been issued:

- (i) in the event the scope of coverage provided under the **Multinational Policy** is more restrictive than the cover afforded under this Policy, this Policy shall insure the particular **Insured** under the **Multinational Policy** for the difference to the extent such cover is permitted by the local legislation prevailing in the jurisdiction in

- which the **Multinational Policy** has been issued; or
- (ii) to the extent such local legislation does not permit coverage for the difference to be provided under this Policy on a difference in conditions or difference in limits basis, the difference shall be insured under this Policy to the extent legally permissible by reason of the coverage provided to the **Policyholder** under any '*International Coverage Extension – Financial Interest*' coverage provided.

If a payment involves this Policy and a **Multinational Policy**:

- (i) the total amount payable under this Policy and the **Multinational Policy** in respect of all loss in the aggregate, regardless of the number of policies involved, shall not exceed the **Limit of Liability**; and
- (ii) the retention shall be the amount of the largest retention applicable to the loss under any of the relevant policies; and
- (iii) if payments made to the **Insured** under this Policy and the **Multinational Policy** exceed the **Limit of Liability**, the amount paid in excess of the **Limit of Liability** shall be recoverable by the **Insurer** from the first named **Policyholder** to the extent that the **Insurer** is not legally prohibited from doing so.

If the first named **Policyholder** has purchased a **Multinational Policy**, and a claim or circumstance that might give rise to a claim has been notified and accepted in accordance with the terms of a **Multinational Policy** issued to an **Insured Entity** in an **International Jurisdiction** by the **Insurer** or any of its affiliates, such claim will be deemed notified to the **Insurer** under this Policy.

in the event that any of the above is established by final adjudication by a judicial or arbitral tribunal (after exhaustion of any rights of appeal) or any formal written admission (that has not been withdrawn) by the respective **Insured**.

For the purposes of determining the applicability of the above, the conduct of any **Insured** shall not be imputed to any other **Insured**.

The **Insurer** shall not institute any legal proceeding (other than a cross-claim or similar) with the primary purpose of obtaining a decision to enforce this General Policy Exclusion.

The **Insurer** may not refuse to advance costs and expenses payable under this Policy by reason only that the **Insurer** considers that conduct specified in this General Policy Exclusion has occurred, until such time as the condition to this General Policy Exclusion is satisfied.

- (ii) request any further material it reasonably requires to make its coverage determination within five (5) business days of receipt of the correspondence; and
- (iii) promptly advise the **Insured** of any additional investigation or material it reasonably requires; and
- (iv) within ten (10) business days after receipt of all further material referred to in (ii) and (iii); and at the request of the **Insured**, the **Insurer** shall confirm their preparedness to advance any costs and expenses payable under this Policy as provided in (vi) below, except to the extent that indemnity has been denied; and
- (v) advance all **Defence Costs** and payment of all other costs and expenses payable under this Policy, within twenty (20) business days after sufficiently detailed invoices for those costs are received and accepted for payment by the **Insurer**.

The timelines herein are premised upon the **Insured** providing notification within ten (10) business days in accordance with '*Claims Protocol – Notifications*' so as to allow the **Insurer** to participate fully as outlined in '*Claims Protocol – Defence and Settlement*.' The **Insured** may agree to extend these timelines at the request of the **Insurer**, and such agreement is not to be unreasonably withheld.

Notifications

The Covers and Extensions provided under this Policy are granted solely with respect to matters covered by the Policy that are notified to the **Insurer** as soon as practicable after any of a **Policyholder's** Chairman, Chief Executive Officer, Chief Financial Officer, Risk Manager, General Counsel or person occupying an equivalent position first becomes aware of such matters.

Notification shall be made no later than the **Anniversary Date** of the then **Current Period**, except:

- (i) in respect of a Section or Extension which specifically states that it does not expire;
- (ii) where the **Policyholder** has elected the '*Additional General Extensions – Discovery Period*', in which case, matters may be notified to the **Insurer** up to the date on which that discovery period ends;
- (iii) in accordance with any amendment to this '*Claims Protocol – Notifications*' which has been made by Endorsement to this Policy.

Any **Insured** may notify the **Insurer** of any circumstance reasonably expected to give rise to a **Claim** or **Investigation**. The notice must include the reasons for anticipating a **Claim** or **Investigation** and full relevant particulars as to dates, acts and the **Insured** and potential plaintiff(s) concerned.

All notifications of events covered under the Policy must be in writing, referencing the Policy Number and addressed to:

Financial Lines Claims Manager
AIG
Level 19, Citigroup Centre, 2 Park Street, Sydney NSW 2000 Australia
or by facsimile to +61 2 9240 1722
or by email to finclaims@aig.com

If a notification is made under the '*Claims Protocol – Notifications*', then all **Related Events** shall also be deemed to have been notified to the **Insurer** on the date the notices were first provided.

Defence and Settlement

The **Insured** shall defend and contest any **Claim** or **Investigation**. The **Insurer** shall be entitled to participate fully in the defence and in the negotiation of any settlement that involves or appears reasonably likely to involve the **Insurer**. In the event of any **Claim** or **Investigation**, each **Insured** shall take reasonable steps to reduce or diminish any actual or potential payment under the Policy.

Notwithstanding the foregoing, the **Insured** shall have the right to tender the defence of the **Claim** to the

Insurer, and this right shall be exercised solely in writing by the first named **Policyholder** on behalf of and with the agreement of all **Insureds**. This right shall terminate if not exercised within 30 days of the date the **Claim** is first made against an **Insured** or if the first named **Policyholder** is unable to obtain the agreement to tender the defence on behalf of all **Insureds** that are reasonably likely to require defence. Until the defence is effectively tendered and the **Insurer** assumes defence, the **Insureds** shall take no action, or fail to take any required action, that prejudices the rights of any **Insured** or prejudices the position of the **Insurer** with respect to the **Claim**. The **Insurer** shall:

- (i) assume the defence of a **Claim** where the **Insureds** have complied with the foregoing but shall have no obligation to continue to defend the **Claim** once the applicable **Limit of Liability** has been exhausted; or
- (ii) at its discretion, pay the amount of the applicable **Limit of Liability** to the first named **Policyholder** or the relevant **Insured** in full and final settlement of the **Insurer's** obligations under the relevant Section.

The **Insurer** consents to the appointment of any **Gold Complete Advisory Panel** member firm to act on behalf of the **Insured** in respect of any **Claim** or **Investigation**.

All **Insureds** shall at their own cost, render all reasonable assistance to and cooperate with the **Insurer** in the investigation, defence, settlement or appeal of a **Claim, Investigation** or circumstance notified under the '*Claims Protocol – Notification*' provision, and provide the **Insurer** with all relevant information pertaining to any **Claim, Investigation** or circumstance, as the **Insurer** may reasonably require.

The **Insurer** shall accept as necessary the retention of separate legal representation to the extent required by a material conflict of interest between any **Insureds**.

The **Insurer** shall have no duty or obligation to communicate with any other **Insured** in relation to any **Claim** or **Investigation**.

The applicable **Insured** or the first named **Policyholder** shall reimburse the **Insurer** for any payments which are ultimately determined not to be covered by this Policy.

Consent

Only those amounts and appointment of advisers which have been consented to by the **Insurer** (which shall not be unreasonably delayed or withheld) shall be payable by the **Insurer** under this Policy.

Where there is a dispute between the **Insured** and the **Insurer** as to whether a **Claim** should be settled or should continue to be defended, within 30 days after notice of such dispute has been given to the **Insured**, the **Insurer**, at its expense, shall refer the matter to a **Senior Counsel** appointed in the jurisdiction of the **Loss** who shall determine whether, on the balance of probabilities, the **Insured** is likely to succeed in defending the **Claim** to final resolution or whether the **Claim** should be settled.

If the **Senior Counsel** determines that the **Claim** should be settled, the **Insured** may elect to continue the defence of the **Claim** provided that the **Insurer's** liability for all **Loss** arising from that **Claim** shall not exceed the amount for which that **Claim** could have been settled plus the **Defence Costs** incurred up to the date such determination was made.

The **Senior Counsel** shall determine the amount for which that **Claim** could have been settled at the **Insurer's** expense, taking into account the economics of the matter, the damages and costs which are likely to be recovered by the plaintiff, the likely costs of defence and the prospects of the **Insured** successfully defending the **Claim**.

Difference in Conditions and Mitigation Disputes

Any dispute between the **Insurer** and any **Insured** in relation to:

- (i) whether cover was available under the '*Additional General Extension – Difference in Conditions*';
 - (ii) the relevant quantum under any '*Circumstance/Claim Mitigation*' Extension,
- shall be referred within 30 days of the **Insured's** receipt of the **Insurer's** written advice on coverage to a **Senior Counsel** appointed in the jurisdiction in which this Policy is issued, at the **Insurer's** expense. The **Senior Counsel** will be instructed to opine as an expert, not as an arbitrator, on the issues in dispute. The parties agree to be bound by the opinion rendered by the **Senior Counsel** and in the interim, the determination of the **Insurer** shall prevail.

Allocation

The **Insurer** shall be liable only for payment to the extent it arises from a matter covered by this Policy. If a matter involves both covered and uncovered matters or persons, then the **Insured** and the **Insurer** shall use commercially reasonable efforts to determine a fair and equitable allocation of the quantum covered by this Policy and the quantum not covered by this Policy, on the basis of established judicial allocation principles which take into account the legal and financial exposures, and the relative benefits obtained by the relevant parties.

If the **Insurer** and the **Insured** cannot agree on allocation in accordance with this clause within 14 days of any allocation issue first being notified in writing to the **Insured** by the **Insurer**, then the issue will be referred for determination by a **Senior Counsel**, whose decision shall be final and binding on all parties. The **Senior Counsel** is to determine the fair and equitable allocation as an expert, not as an arbitrator. The relevant **Insured** and the **Insurer** shall be entitled to make written submissions to the **Senior Counsel**. The **Senior Counsel** is to take account of the parties' submissions, but the **Senior Counsel** is not to be fettered by such submissions and is to determine the fair and equitable allocation in accordance with his or her own judgment and opinion. The **Senior Counsel's** expenses in providing a determination will be paid by the **Insurer** and any such payments will not erode the **Limit of Liability**.

Subrogation

If the **Insurer** agrees to make payment under this Policy, whether or not the **Insurer** has actually made payment, and even though the value of such payment may not have been determined or that the agreement to make payment may not be absolute and may be subject to further caveats, the **Insurer** may pursue recovery, contribution and indemnity from any party that is not an **Insured** (unless that **Insured** has committed a deliberately dishonest or fraudulent act established by final adjudication by a judicial or arbitral tribunal or any formal written admission (that has not been withdrawn) by the **Insured**). The **Insurer** shall bear the cost of any such recovery, contribution or indemnity and any such costs shall not erode the **Limit of Liability**. Costs payable by the **Insurer** shall not include remuneration, cost of the time of any **Insured** or costs or overheads of any **Insured**. The **Insured** will provide all reasonable assistance and will do nothing to prejudice the **Insurer's** rights or position with respect to the pursuit of recovery, contribution or indemnity.

In the event of any payment under this Policy, all amounts recovered by the **Insurer** as a result of the exercise of its rights under this '*Claims Protocol - Subrogation*' provision will be distributed as follows:

- (i) to the **Insurer** for any actual costs incurred in seeking the recovery, contribution or indemnity; then
- (ii) to any **Insured** for any actual costs incurred in seeking the recovery, contribution or indemnity; then
- (iii) to the **Insurer** for all amounts paid by the **Insurer** under this Policy, such amount to replenish the applicable **Limit of Liability** correspondingly; then
- (iv) to the **Insured** for all remaining amounts.

Policy Structure Provisions

The following Policy Structure Provisions apply to all Policy Sections:

Annually Renewable

If this Policy is shown as Annually Renewable in the Schedule, and unless the Section (or Extension) specifies that it will not expire, this Policy shall expire on the **Anniversary Date**.

If the first named **Policyholder** would consider a renewal of the Policy, it shall provide the **Insurer** with all information that the **Insurer** may request so that the **Insurer** can determine whether to offer a renewal of this Policy. In its sole discretion, the **Insurer** may provide an offer for renewal of this Policy, which may include variations of the terms of this Policy, and the first named **Policyholder** may accept or reject such an offer.

General Provisions

The following General Provisions apply to all Policy Sections:

Limit of Liability

Policy Covers and Extensions only apply if shown as 'Yes' under 'Section Included' in the Schedule.

For each Policy Section shown as 'Yes' under 'Section Included' in the Schedule, a separate **Limit of Liability** shall apply to each Policy Section for each **Current Period**, unless specified otherwise.

If an **Insured** has in effect any policy providing coverage in excess of the Policy Section, including those outlined in the **Insurance Program**, then this Policy shall not make any further payments beyond the **Limit of Liability** for a **Related Event**, whether arising from a **Related Event** or otherwise, for each Policy Section until the excess coverage is exhausted by:

- (i) payment by any insurer, or
- (ii) payment by any other party (including any **Excess Insurer**), or
- (iii) any insurer (including any **Excess Insurer**) being found legally liable by any Court to make payment.

The total payment by the **Insurer** with respect to any **Related Event** shall not exceed the **Limit of Liability** for a **Related Event** as identified in the Schedule for each Policy Section.

In the event of the insolvency or the appointment of a receiver, administrator or liquidator to any **Insured Entity**, the total aggregate payable under each Policy Section shall not exceed the **Limit of Liability** for a **Related Event** applicable to the Section as identified in the Schedule, irrespective of when the **Wrongful Act** or event occurred and irrespective of when the **Insurer** was notified.

The **Insurer** shall have no further liability in excess of the aggregate **Limit of Liability** for each Policy Section irrespective of the number of **Insureds** or quantum of any matter.

If a Sub Limit is specified in the Schedule in respect of any Cover or Extension, the **Insurer** shall have no liability in excess of that Sub Limit for the Cover or Extension. Such Sub Limits shall be part of and not in addition to the **Limit of Liability** for the relevant Policy Section.

If there has been a notification under '*Claims Protocol – Notifications*', at the first named **Policyholder's** request, the **Insurer** may, at its sole discretion, offer to reinstate the **Limit of Liability** prior to the end of the then **Current Period** for a premium and any amendment to the Policy terms as it may reasonably decide. The first named **Policyholder** may accept or reject any such offer to reinstate the **Limit of Liability**.

Retention

If a **Retention** other than 'Nil' is specified in the Schedule, then the **Insurer** will only pay for any amount which is in excess of the **Retention**.

If a **Related Event** is subject to more than one **Retention**, then only the highest **Retention** shall be payable.

Terms of Each Section

Unless otherwise stated the:

- (i) Policy provisions outlined in each Section apply only to that Section; and
- (ii) Additional General Extensions, International Coverage Extensions, General Policy Exclusions, Definitions, Claims Protocol, Policy Structure Provisions and General Provisions apply to all Sections unless otherwise specified.

In the case of inconsistency or conflict, the provisions in the Sections override the Additional General Extensions, International Coverage Extensions, General Policy Exclusions, Definitions, Claims Protocol, Policy Structure Provisions and General Provisions.

Cancellation

This Policy may not be cancelled by the **Insured** or the **Insurer** except as provided under the '*Policy Structure*' provisions. However, the **Insurer** may cancel this Policy for non-payment of premium in accordance with the Insurance Contracts Act 1984 and shall be entitled to retain 20% of the **Premium** plus the pro-rata proportion

of the **Premium**.

Severable Nature of the Policy

With respect to any breach of any Policy terms and conditions and the contents of any:

(i) proposal form,
submitted, or statements, warranties and representations made to the **Insurer** in connection with the then **Current Period** of this Policy, or any policy of which the then **Current Period** of this Policy is a renewal or replacement, no statements made by or on behalf of, information or knowledge possessed by, or **Wrongful Act** of:

(i) a **Manager**,
shall be imputed to any other:

(i) **Manager**,
for the purpose of coverage under this Policy.

With respect to any **Insured Entity**, only the statements and knowledge of any Chairman, Chief Executive Officer, Chief Financial Officer, Risk Manager, General Counsel or person occupying an equivalent position of any **Insured Entity**, or any person who signed the proposal form (or any other declaration) in connection with the then **Current Period** of this Policy, or any policy of which the then **Current Period** of this Policy is a renewal or replacement, will be imputed to all **Insured Entities**.

Other Insurance and Indemnification

This Policy shall always apply excess over any other valid and collectible insurance available to the **Insured** specified in an Endorsement to this Policy.

Changes in Risk

The **Insurer** shall not make any payment under this Policy arising out of, based upon or attributable to any:

(i) **Wrongful Act**; or
(ii) matter which is the subject of any other request for payment under this Policy;
occurring or arising after the effective date of a **Transaction**.

This Policy shall only apply to a:

(i) **Subsidiary**; and
(ii) **Plan**; and
(iii) **Manager**,

for acts, errors, omissions occurring during the period such **Insured** met the conditions to become an **Insured** under this Policy. This Policy shall only cover a **Plan** that was transferred, spun-off or terminated with respect to acts or events occurring prior to the date such **Plan** was transferred, spun-off or terminated.

Maintenance of Underlying Insurance

All of the **Insurance Program** shall be maintained and renewed. Failure to comply with the foregoing shall not invalidate this Policy but the **Insurer** shall not be liable to a greater extent than if this condition had been complied with.

In the event of any actual or alleged;

(i) failure by the **Insureds** to give notice or to exercise any rights under any policy in the **Insurance Program**;
or
(ii) breach of the terms of the **Insurance Program** by an **Insured**,
the **Insurer** shall not be liable hereunder to a greater extent than it would have been in the absence of such actual or alleged failure or breach.

The first named **Policyholder** shall give notice in writing to the **Insurer** as soon as is practicable:

(i) in the event of the cancellation or amendment of; and
(ii) of any notice given or additional or return premiums charges or paid in connection with,
the **Insurance Program**.

Tax

Any payment under this Policy shall be reduced by the amount of any input tax credit that the relevant **Insured**

is entitled to.

Notice and Authority

Except with respect to the ability of any **Insured** to notify the **Insurer** pursuant to 'Claims Protocol – Notifications', the first named **Policyholder** shall act on behalf of all **Insureds** with respect to the giving of notice of any matter required under this Policy, the payment of **Premiums** and the receiving of any return premiums that may become due under this Policy, and the receipt and acceptance of any Endorsements issued to form a part of this Policy.

Assignment

This Policy and any rights hereunder may not be assigned without the prior written consent of the **Insurer**.

Governing Law

Any interpretation of this Policy or issue relating to its construction, validity or operation shall be determined by the laws of the Commonwealth of Australia and the Australian State or Territory in which the Policy is issued. The parties will submit to the exclusive jurisdiction of the Australian courts, unless specified otherwise.

Words and expressions in the singular shall include the plural and vice versa. In this Policy, words in **bold** typeface shall have special meaning and are defined. Words that are not specifically defined in this Policy have the meaning normally attributed to them. References to legislation shall include any subsequent amendments or re-enactments thereof and the equivalent legislation in other jurisdictions. All references to titles and positions shall mean the equivalent in other jurisdictions. A reference herein to "this Policy" shall mean a reference only to those Insurance Covers stated herein which are shown on the Schedule as purchased.

Confidentiality

The **Insured** shall make all reasonable efforts not to disclose the existence of this Policy to any person except their professional advisers or as required by law or court order. The **Insured** shall only state within the **Insured Entity's** annual report that the **Insured Entity** has agreed, or otherwise, to pay a premium for this Policy but shall not publish the nature of the liability covered by this Policy, the name of the **Insurer**, the **Limit of Liability** or the premium paid for this Policy.
